Request for short additional extension from Wednesday Sept 15 to Monday Sept 20
Request for additional page limit to 25 pages.

Dear Judge Patterson

Due to Hurricane Irene, which has knocked out my main archival server and caused damage to our dear departed mothers' house in Long Beach, I am running behind schedule finishing our sur-reply brief .

Mr. Everdell has already consented to this brief delay.

This is to enable us to edit and vet our submission through the weekend instead of this Thursday.

We humbly request additional pages totaling 25 pages, exclusive of Tables of Contents and Authorities in order to adequately rebut each point raised the Governments reply brief. I am answering pro se and with limited legal editing resources.

I thank the court for its patience in its dealing with me, and I apologize for my lack of sophistication in the ways of the court.

Sincerely,

A handwritten signature in cursive script, appearing to read "D. B. Karron".
